

Trecia Montgomery
2011 Fraternalist of the Year
of the National Slovak Society

Congratulations!

Trecia Montgomery Fraternalist of the Year

I would like to congratulate Trecia Montgomery of Assembly 813, Englewood, Florida on being named the 2011 National Slovak Society's Fraternalist of the Year. Although Trecia is relatively a new member, joining us in 2009, she exemplifies what a Fraternalist is.

A breast cancer survivor, she regularly participates in the Relay for Life program. She volunteers at the Scope Harbor Elder Daycare center at the Christ Episcopal Church and supports the efforts of Hospice of the Valley by visiting and sharing her experience with those who have lost loved ones. She is a member of the Grace United Methodist Church welcoming committee, Beautification Committee and is working with the Memorial Committee.

Trecia actively participates in Assembly activities and attends events on the Regional and National Level. She enjoys the Annual Golf Tournament banquets and hospitality nights and is hoping to play golf this year. She was also a delegate to the NSS 35th Convention this past summer.

Trecia is a wonderful asset to her community, her church and the NSS. We are proud to honor Trecia as the 2011 Fraternalist of the Year.
